The I General has made enquiries
Unfortunately, the person recommended was 26 & the person holding the 5th Special Scholarship was 25 & When higher education was in an infant stage these Special Scholarships were necessary but now that there is such a rush for higher education the correct policy seems to be to withdraw all advantages to this class under the Sanctioning of the Scholarship for the principle put forward by me Were unable to be in Common

17/6/96

The sanctioned seat is only for Scholarships all of which have been awarded The mere fact that I proposed in the first class & that the Govt Nominee now recommended should not in fairness to the candidate who secured the 5th Scholarship

Sir,

Adverting to letter no 243 dated the 6th instant from Mr J Weir MA Principal of the Maharaja's College Mysore, and herewith forwarded for reference and favour of return, I have the honour to inform you that there are at present five special scholarships of the value of Rs 10 each given to the first five successful students that pass the Matriculation and FA Examinations in the First Class, from the schools in Mysore Since these scholarships were instituted, the attendance in the Colleges has considerably increased I agree with Mr Weir in thinking that the present number of special scholarships is inadequate and requires to be increased I shall however reserve this subject for a

separate communication. In the meantime I beg to submit for the favourable consideration of Government Mr Wier's recommendation in behalf of a student named T.S Raghavachar who came out 26th ~~25th~~ in the 1st class for the Presidency and 6th for the Province in the last First in Arts Examination The last of the five students to whom scholarships were given this year was the 25th ~~26th~~ on the list Mr Wier recommends that the scholarship may be sanctioned with effect from 1st January 1896

I have the honour to be.

Sir,

Your most obedient servant.

Enclosure to Sl no 1

MAHARAJA S COLLEGE

Dated 6th June 1896

MYSORE

For orders
8/6/96 S.R.H

The Inspector General of Education
in Mysore
Mysore

With reference to Govt order no 11675-Ed 374 dated 15th April 1896, intimating that the five special Govt Scholarships should be awarded to the Candidates in order of merit without any reference to their circumstances, I have the honor to recommend for the Consideration of Govt the advisability of increasing the total number of these special Scholarships The number of Scholarships was fixed several years ago when the number of students reading in the various Colleges was considerably smaller than it is at present and it seems only natural to increase the number of such rewards with the number of those who have proved worthy of them

number who passed in the first Class this yea
from the Mysore Colleges was seven, and the
two deserving students (one from Bangalo
and one from Mysore) are left without spec
scholarships I have the honor to recomme
that a special scholarship should be confer
on the sixth candidate (who is a Mysore
student) with effect from the 1st of janu
this year and that Mr Cook should be
consulted on the question of awarding
another scholarship to the seventh candida
and that the general question of increas
the number permanently should be left
for consideration till next year when
a more definite opinion can be formed
whether the increase in the number of
first class passes is likely to be permane
or no.

I may add that the fifth of the
Special Scholars held the 25th rank in the
University list while the 6th candidate
from Mysore held the 26th rank.

I have the honor to be

SIR,

I have the honour to inform you that of the five special scholarships of Rs 10 a month each one was granted to T K Arunachela Iyer in the Junior B A class of the Central College, Bangalore The scholarship though drawn by the Principal was not availed of by the student owing to his intention to leave the Central College to study in the Engineering College, and the amount of Rs 50 drawn by the Principal for the five months from January to May has been refunded into the Treasury. The vacant scholarship has therefore been awarded from the 1st June 1896 to S T Raghavachar who passed the F A Examination of December last from the Maharaja's College, Mysore taking the 6th

place for the Province The Principal of the Maharajas College now recommends that the refunded amount of Rs 50 for the scholarships from January to May 1896 may be freshly sanctioned and disbursed to Raghavachar
